Sunday Evening, November 13th**

World Drumming Music Ministry

Nothing makes a joyful noise quite like the sound of drums and percussion instruments! If you've ever thought you might like to play drums, join us this fall as we start an exciting new group as a part of our youth music ministry. Starting this August, we are pleased to announce the beginning of a new world drumming music ministry. Be there as we learn to play a variety of world drums including African tubanos, Caribbean steel drums, as well as many handheld percussion instruments from around the world. We will provide worship music at Sunday morning worship services, youth gatherings, and more. The group will meet weekly on Sunday nights at 4:00 PM beginning August 21. Don't miss this unique opportunity to praise the Lord with music! If you have any questions, please contact Brandon Baxter at 931-881-4701.

Youth Praise Band

Another year is just around the corner and that means youth group is about to start up again. We are looking for some musicians and student leaders who would like to be a part of this year's youth praise band. Our youth praise band provides music weekly for youth group meetings and leads our youth in song and praise. If you have a heart for music and a desire to lead worship, we need your help. Anyone who would like to help lead music is welcome to join us. We particularly need guitarists, bassists, drummers, keyboardists and vocalists. Youth praise band will meet weekly on Sunday nights at 7:00 PM beginning on August 21st. We hope to see you there. If you have any questions, please contact Brandon Baxter at 931-881-4701.
